# Certified Power Inc.

DES MOINES, IOWA

## We are proud to represent these quality products

### **Air Power Systems (APSCO)**

Pneumatic air controls, cylinders and air shift kits

### **American Mobile Power**

Steel and aluminum hydraulic reservoirs

### **Bosch Rexroth**

Mobile line includes load sense pressure compensating mobile valves, flow and pressure compensating load sense pumps

### **Brand Hydraulics**

Pressure, flow and Directional Control Valves, and hand pumps

### **Bucher Hydraulics**

High performance manual, solenoid operated, and fully proportional valves, gear pumps, motors and power units

### **BVA Hydraulics**

Cylinders, air pumps, hand pumps, jacks, combination sets and accessories

### **Certified Power Custom Products**

Wet Line Kits, Hydraulic Oil Reservoirs, accessories, gas and electric power units, and CTAO control valve pneumatic shift kits

### **Cross Manufacturing**

Hydraulic valves and accessories

### **CW Mill Equipment Co.**

Complete Clutch Pump Engine Mounting kits for Light and Medium Duty Truck

### **Daman Products**

Standard and special Hydraulic Valve Manifolds and subplates

### **Diablo Industrial Technology**

Electronic Processor Controls, ground speed systems, custom and designed and built Microprocessor Systems

### **Driveline Products**

Dana/Spicer Stocking 1310 series and smaller drive shafts, yokes and universals

### **EPEC**

Intelligent control systems and information systems for mobile machines using CANopen and PLCopen to form a solid base to offer flexible and easily scalable solutions

### **FPC Filtration Products**

Hydraulic filters, strainers, gauges, and accessories

### **Hayden**

Heat exchangers - air-cooled water-cooled

### **Hedland Flow Meters**

Flow Meters - air, hydraulic, and water

### **Hyco**

Telescopic Cylinders

### **Lenz**

Hydraulic filters, strainers, gauges, and accessories

### **Monarch Hydraulics**

DC and AC Hydraulic Power Units

### **Morse Controls**

Pneumatic Feathering Controls, Push/Pull Cables and Controls

### **Nason**

Pressure, temperature, vacuum switches, and differential switches

### **Northman Fluid Power**

Hydraulic solenoid valves, sandwich valves, control valves, and vane pumps

### **Ogura**

Electric Clutches - 12 and 24 volt DC

### **Parker Chelsea**

Transmission mounted Power Take Offs, split-shaft and front-mount PTOs, countershaft PTOs, and gear boxes

### **Parker Commercial**

Gear pumps and motors, (single and multi-section), flow dividers, directional control valves, and telescopic cylinders

### **Parker Gresen**

Hydraulic Directional Control Valves, flow controls, counter balance, sequence, relief valves, and accessories

### **Prince Manufacturing**

Hydraulic Cylinders, Pumps, Motors, Tractor PTO's, Control Valves, and Accessories

### **SafeWay Hydraulics**

Hydraulic quick-disconnects, caps and plugs

### **Sauer-Danfoss**

The Sauer-Danfoss family of products includes piston pumps and motors, including hydrostats, orbital motors, mobile stack and cartridge valves, mobile electronics, steering components and gear pumps and motors

### **SPX Stone/Fenner Stone**

Small AC and DC hydraulic power units for industrial and mobile applications

### **StormGuard**

Snow and Ice Product lines from Certified Power, including Electronic Controls, Hydraulic Systems, Liquid Systems for Anti-Ice and Pre-Wet, spreader controls and Vehicle Tracking Systems

### **Thermal Transfer Systems**

Oil coolers, mobile and industrial types air or water cooled

### **Weatherhead**

Hydraulic hose assemblies and fittings; steel, brass and compression fittings

### **Wescon Cables and Controls**

Authorized Factory Push/Pull, Brake, Throttle and Accelerator Cable assembler, Cables built in-house while you wait

### **White Drive Products/White Hydraulics**

Low-speed, high-torque hydraulic geroller motors, flow dividers and brakes

### **Yuken**

Hydraulic pressure, flow and Directional Control Valves, vane and piston pumps, and proportional controls

## **Full Service Repair Facility**

Cylinders, Pumps, Motors  
Directional Control Valves and Hydrostatic,  
• Test Stand Capabilities •

**\* Authorized Sauer-Danfoss Service Center /Warranty Center\***
