Certified Power Inc.

BURNSVILLE, MINNESOTA

We are proud to represent these quality products

Air Power Systems (APSCO)

Pneumatic air controls, cylinders and air shift kits

Airway

Hydraulic hose and fittings, steel, brass and stainless steel

Alpha Technologies

Pneumatic fittings and accessories

ASP/MiniBooster

Oil to Oil Intensifiers

Bijur Lubricating

Industrial Lubrication Systems - Oil, Grease and Spraymist

Brand Hydraulics

Pressure, flow and directional control valves, hand pumps

Bucher Hydraulics & Monarch

High performance manual, solenoid operated, and fully proportional valves, gear pumps and motors, and power units

CKD

Full line of pneumatic products, including in-line valves, valve banks, FRLs, pneumatic controls and cylinders

CW Mill Equipment

Pump mounting kits for engines

Continental Hydraulics/Polypac

Variable volume pumps, 4-70 gpm, piston pumps to 4000 psi. 3500 psi directional, electro-proportional, pressure and flow control valves. Standard and custom hydraulic power units

Dana

Drive shafts and universal joints

Delta Power

Gear pumps, 0.5-34 gpm gearmotors, cartridge valves, manifolds and power units

Detroit Fluid Products

Cartridge valves, hydraulic and pneumatic flow controls and quick-exhaust valves.

Efdyn

Linear Shock absorbers, rotary dashpots and bumpers

Energy Hydraulics

Manual valves, tie-rod and welded cylinders, 1-1/2" - 10" bore, 3500 psi

EPEC

All digital, CAN Bus control system, modules, and software for mobile applications

FPC Filtration Products

In-tank and spin-on filters, sump strainers, filtration accessories

Flo-Tork

Hydraulic and pneumatic rotary actuators and valve operators

FulFlo Specialties

1/4" to 4" hydraulic by-pass relief valves

Hedland

Flow meters - air, hydraulic and water

Horton

Air brakes and clutches

LDI/Vescor

Reservoirs and reservoir accessories

Miller Fluid Power

NFPA tie-rod cylinders to 5000 psi. Hydraulic and pneumatic - 3/4" to 20" bore. Rodless cylinders, boosters, pneumatic valves, logic systems and FRL units

Monarch Hydraulics

DC and AC Hydraulic Power Units

Monnier

Pneumatic FRL units, relief valves, air-oil reservoirs and pneumatic accessories

Nason

Pressure, temperature, vacuum switches, differential switches

Northman

Industrial D03 and D05 valves

Ogura

Electric clutches - 12 and 24 volt DC

Pamark Manifolds

Extruded aluminum manifolds

Parker/Chelsea

Transmission-mounted PTOs, split shaft and front mount PTOs, countershaft PTOs and gear boxes

Parker/Commercial

Gear pumps and motors, (single and multi-section) flow dividers, directional control valves, telescopic cylinders

Parker/Gresen

Gear and gerotor pumps and motors, vane pumps, pressure, flow control and directional control valves, fillers

Parker/Nichols/Ross/Bruning

Low-speed, high-torque Ross Torlink and Nichols motors, wheel motors, check valves and quick-disconnects

Rectus

Quick disconnect couplings

Prince Manufacturing

Low-speed, high-torque hydraulic motors, mobile cylinders, pressure and flow and directional control valves, pumps

Rego/Cryoflow

Flow controls, needle and check valves - air and hydraulic

Ross Controls

Control reliable safety valves and lock-out valves. Pneumatic valves - in-line, base-mounted, and ISO mounted. FRL's

Reuland Electric

Pump / motor flexible couplings and mounting brackets

SAI Hydraulics, Inc.

Low-speed, high-torque radial piston motors, planetary speed reducers, wheel drives

Sauer-Danfoss

The Sauer-Danfoss family of products includes piston pumps and motors, including hydrostats, orbital motors, mobile stack and cartridge valves, mobile electronics, steering components and gear pumps and motors

Schroeder Industries

Hydraulic pressure and return-line filters, tank accessories, diagnostic equipment and test benches

SPX Stone Hydraulics

Small AC and DC hydraulic power units and systems

StormGuard

Hydraulic systems and controls for themunicipal and truck equipment, snow and ice stormmanagementmarket - including central hydraulic systems, granular and liquid controls, data acquisition, anti-ice and de-ice equipment, GPS/AVL systems and more...

Sun Hydraulics

Pressure, flow and directional valves, cartridge valves, custom manifold systems

Thermal Transfer

Heat exchangers - Air/Oil and Water/Oil

Tobul Accumulators

Piston type - 5 cu. in. to one gallon. Bladder accumulators - 60 cu. in. to 15 gallons

Weatherhead/Eaton

Hydraulic hose and fittings; steel, brass and stainless steel fittings, plastic tubing

Wescon

Custom standard cable assemblies

White Hydraulics

Low-speed, high-torque hydraulic motors, flow dividers and brakes

Wika Instrument

Pressure gages, temperature gages, pressure transducers, pressure switches, transmitters

Yukon

Industrial valves, vane pumps, and piston pumps

Repair Facility

Cylinders, Pumps, Motors
Directional Control Valves and Hydrostatic,
• Test Stand Capabilities •
